

2009 Summer Youth Employment Program

This program provides Citrus, Levy, and Marion County youth between the ages of 17 and 24 with summer internship and educational opportunities. Participants intern in a variety of entry-level positions at private industry employers, government agencies, hospitals, summer camps, nonprofits, small businesses, law firms, and museums.

The Summer Youth Employment Program (SYEP) strives to:

- Provide opportunities for career instruction, financial literacy, training, academic improvement, and social growth
